### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In line 7 of claim 21, the word "aid" has been deleted and replaced with the word -- said --.

The following is an examiner's statement of reasons for allowance:

The combination of a periphery view goggle for protecting a portion of a wearer's face from externalities, wherein the portion includes the eyes and ears of the user comprising a flexible lens with a front section and left and right sections that extend transversely from the front section and presents a length not less than one-eighth of the lateral front length; and a compressible liner that creates a seal between the lens and the wearer's face including the eyes and ears when the goggle is donned is neither anticipated nor rendered obvious by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
